Dear Mr. Hoefer:

This letter is to confirm the extension of time for Cotter Corporation to respond to your CERCLA 104(e) Information Requests dated July 12, 1991, that you granted on August 5, 1991 during a telephone conversation with my legal assistant, Robert Krebs. It is my understanding that the extended deadline for responding is September 9, 1991 and that you will inform the other interested EPA personnel of the same. It is also my understanding that we may contact you on or before September 9, 1991 to obtain an additional extension, should such an extension be necessary.

If this information is contrary to your understanding of what was agreed upon, please contact me at your earliest convenience. Your cooperation and understanding of the magnitude of this undertaking is greatly appreciated.

Very truly yours,

  
John L. Watson
